Dear Parents / Carers

## Outcome following Ofsted inspection

***'Pupils are at the heart of all that the school has to offer. Leaders have high expectations, and as a result, pupils achieve well.'***

Our inspection report has now been published, and it is my pleasure to confirm that Ofsted's judgement of Courthill Infant School is: *Courthill is a good school with outstanding features.*

The inspection report recognises that Courthill is a wonderful school with a warm and nurturing environment. We are especially proud that provision for pupils' personal development is considered to be outstanding. This judgement is a real credit to the staff who offer 'excellent pastoral support' and who go 'above and beyond' for our pupils and families.

We are also proud that inspectors recognised Courthill's unwavering focus on the development of the 'whole child' along with our tangible sense of community, where the well-being of pupils, staff and families is central.

You can read the Ofsted report in full on our website ([click here](#)). However, I wanted to share some excerpts to give you a quick flavour of what is an overwhelmingly positive report (see document attached or [click here](#)).

I reiterate my thanks to parents for your incredible support and commitment to our school. Whilst I am of course pleased with the inspectors' judgements, I am even more delighted to read the many positive comments that our parents provided to Ofsted's questionnaire. Your support is perfectly summed up by the fact that *100% of the 142 respondents said that they would recommend our school to other parents.* This means a great deal to the Courthill team.

I am so proud to be part of this community where children are at the heart of all we do and I know we will continue to offer the highest-quality provision, day-in and day-out, irrespective of inspections.

I would be pleased to answer any questions you may have following this inspection and I will contact you in the near future to offer you an opportunity to come into school and meet with myself and Mrs Lizzie Elkins, Deputy Headteacher.

With thanks again for your continued support,

Mrs Ali Carter, Headteacher
