

# CheckMates

In 80+ schools

Looking to get your child started in a game which teaches patience, logical skills and independent thinking? **CheckMates** offers after-school chess programmes to primary schools which are fun, interactive and help your child improve.

## What We Do

Interactive lessons from teachers with years of experience with chess.

1 hour of group coaching after school.

## Testimonials

*"My son found the course to be very enjoyable, interesting and informative."*

Eoghan M

*"10 out of 10, the teacher is really nice and it's great fun"*

Patrick (student)

*Our child really liked the problem solving and demonstrations on the computer connected to the big tv. More of that is great!*

Kate
