# WELCOME TO SEND SOCCER FC

SEND Soccer FC is an FA affiliated family-run football club where children and young people of all ages with S.E.N.D. (Special Educational Needs and Disabilities) can enjoy playing football in a safe, inclusive and non-judgemental environment.

Our aim is to create a space where children can be themselves, feel accepted and enjoy football without feeling that they have to mask their social anxieties or be someone they are not.

### WHO CAN JOIN?

SEND Soccer FC is specifically for children who meet one or more of the following criteria:

-  Have a diagnosis of ASD, ADHD or another neurodevelopmental condition.
-  Are currently in the process of seeking a diagnosis.
-  Have an EHCP, or are currently in the process of applying for one.

### OUR JOURNEY SO FAR

We are now nearly a year old and have loved working with local schools. We are also delighted to be working alongside Poole Town FC Wessex and their youth age groups.

Our UEFA-qualified coach, Graham, has almost 20 years of experience coaching football at all levels. Together with his wife, Lisa, he set up SEND Soccer FC to create the kind of football environment they wanted their own children to experience.

We are a family-run club, and we have three SEN children of our own. We fully understand the struggles and challenges that our children can face, particularly in social situations.

We aim to help children develop their football skills, but also to build confidence, friendships and social skills in a relaxed and supportive environment – all while having fun!

We recognise how isolating being a SEND parent can sometimes feel. That's why we want to create a community where parents can connect, share and build friendships with others who understand the journey.
