13th October 2026

Dear Parents / Carers and Year 2 Children,

We are very excited to continue our Year 2 School Council after the October half-term holiday. This is a fantastic opportunity for our pupils to further develop important skills such as confidence, communication, teamwork and responsibility.

Being a Year 2 School Councillor is a special role. The chosen children will help share ideas, discuss ways to make our school even better and represent the views of their classmates. Councillors will have weekly meetings with Mrs Churchill and will need to be committed to carrying out a range of tasks to improve the school and strengthen pupil voice.

We will aim to select at least two children from each class every half term, giving lots of pupils the opportunity to take part throughout the year. Depending on the number of applications, there may be occasions when more than two children are selected from a class.

If your child would like to apply for a School Councillor position, we ask them to tell us why they would like to be a councillor and what qualities they could bring to the role. Children can present their application in a way that suits them best. This could be a short letter, a poster, a leaflet or another creative format. If your child finds writing challenging, please feel free to scribe their ideas so that they can still share their thoughts with us.

Applications should be handed to class teachers by Tuesday 20th October, and the new councillors will be announced during the first week back after half term.

We look forward to hearing from our enthusiastic Year 2 children and continuing this exciting opportunity for them to make a positive difference in our school community.

Kind regards,

Mrs Churchill and the Year 2 Team
